IAC-A-1

29 November 1950

MEMORANDUM FOR: Deputy Director

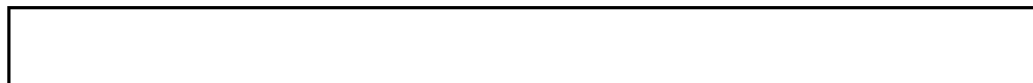

Noted by D/DCI
11/29/50 782

SUBJECT: Suggestions for the DCI in Handling the Agenda
for the IAC Meeting Thursday at 1100 hours,
30 November

1. Approval of Minutes.
2. Review of Estimates Priorities (Reference IAC-D-1 and IAC-D-1/1)

General Megee's office called to say that he would like to discuss the question of an estimate on "what is the magnitude of the power-complex developing in the European Satellite countries"? (See item 6 of IAC-D-1)

3. Terms of Reference for National Estimate on Communist China
IAC-D-7

25X

General Bolling raised this question as you will see in the paper. There is ready for distribution at the meeting a paper which sets forth the combined requirements of the agencies. The issues then are: (a) are these requirements the right ones and (b) is it right and proper that as our paper recommends the DCI should submit these to General Bradley for handling through the NATO?

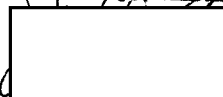

5. A Recommended U. S. Policy Toward Soviet and Soviet Orbit
Official Representatives on Duty in the U. S. (IAC-D-2)

This item and the next the DCI should be able to handle very quickly because they have been thoroughly gone over by the staffs of the agencies and agreed to.

6. Watch Committee Terms of Reference (IAC-D-6)

Next Meeting: The DCI may wish to announce that at the next meeting there will be a presentation of the charts which have been prepared with the IAC agencies, showing a comparison of US-USSR military and industrial strength (Reference IAC-M-3, paragraph 9).
